

Brave Girl
Amanda Cobb

You've withstood life's kicks
Never waiting for you to stand
You should have been playing pick-up-sticks
Not cutting just above your hand
Brave girl
You ran
Brave girl
You still tried to stand

You've withstood abuse
From those meant to protect
Fear and neglect the legacy left
Brave girl
You turned
Brave girl
You stood

Hero friend
Admirable in your fight
Hero lover
Honorable in all plight
Brave girl
You stay
Brave girl
You live
