

Amanda Cobb

Pride is
Dangerous
Healthy
Sinful
Painful
In pride you can
Hurt others
And not realize
Why
In your pride
You cant see
The pain you
cause in me
in my pride
I couldn't see
Anything
I'm sorry
I apologize
Please forgive me
I cant do anything else
I'm changing
But can you see
Has it made it outward yet
Please
Just forgive me
For my pride
I can forgive you
For yours
But I don't need you.
